SPONSORS' STATEMENT

This bill is intended to implement the constitutional amendment, approved by the people at the general election of November 2, 1976, authorizing the Legislature to provide for casino gambling in Atlantic City.

The objectives of the bill and the persons and localities affected are set forth in subsection b. of section 1 as a statement of findings and declaration of policy by the Legislature. Revenues derived from the taxation of casinos established pursuant to this act will be devoted, pursuant to the constitutional amendment and section 105 of this bill, to reduce senior citizens' property taxes, rentals and utility expenses.
