42 STATEMENT

43  
44 This bill provides for a gross income tax filing extension for New  
45 Jersey residents currently serving in Bosnia and Herzegovina, Croatia  
46 and Macedonia. Federal statutes have defined this area as a "qualified

1 hazardous duty area ." Armed forces personnel in the area are afforded  
2 certain tax benefits under federal law. However, the New Jersey gross  
3 income tax automatic filing extension for military personnel on  
4 missions only addresses service in "combat zones" as designated by the  
5 President in an executive order. This bill will also address the new  
6 designation of service under which Armed Forces personnel will be  
7 allowed extensions.

# SENATE BUDGET AND APPROPRIATIONS COMMITTEE

## STATEMENT TO

### ASSEMBLY, No. 2883

# STATE OF NEW JERSEY

DATED: JUNE 5, 1997

The Senate Budget and Appropriations Committee reports favorably Assembly Bill No. 2883.

Assembly Bill No. 2883 provides for an extension on the filing of gross income tax returns, the payment of taxes due and certain other tax matters for New Jersey residents who are military personnel serving in federally designated "qualified hazardous duty areas." Current law provides an extension for military personnel, but only for military personnel serving in "combat zones" as designated by the President in an executive order. In effect, this bill provides for an extension for New Jersey residents in the military serving in Bosnia and Herzegovina, Croatia and Macedonia.

The bill also cancels certain gross income tax liabilities for a person who dies during a period of military service in a qualified hazardous duty area; this same benefit is provided now to military personnel who die in combat zones.

This bill will apply to taxable years beginning on or after January 1, 1996.

As reported, this bill is identical to Senate Bill No. 2113 (Kenny).

#### FISCAL IMPACT:

This bill has not been certified as requiring a fiscal note since it will not have an impact on State revenues or appropriations.
