7 STATEMENT

8
9 This bill modifies certain requirements concerning municipal clerks.
10 The bill would require all municipal clerks to hold a registered
11 municipal clerk certificate as a condition of appointment or
12 reappointment as of January 1 following the third anniversary of the
13 date this bill takes effect.

14 Under the bill, within 90 days of the occurrence of a vacancy in the
15 office of municipal clerk, a municipal governing body may appoint, as
16 acting municipal clerk for a one-year term, a person who does not hold
17 a registered municipal clerk certificate. An acting municipal clerk
18 would be allowed to serve up to two additional one-year terms with
19 the approval of the director of the Division of Local Government
20 Services. A local unit would not be permitted to fill the position of
21 acting municipal clerk for more than three consecutive terms. Under
22 current law, an acting clerk may serve only a six month term.

23 The bill would subject members of a governing body to a personal
24 penalty of \$25 a day for violating procedural requirements concerning
25 municipal clerks such as: failure or refusal to appoint a municipal
26 clerk; appointment or reappointment of a person as municipal clerk
27 who does not hold a registered municipal clerk certificate; and
28 allowing a person to fill the position of acting municipal clerk for more
29 than three consecutive years.

30 Section 3 of the bill clarifies that the higher education requirement
31 that an applicant for municipal clerk certification must submit proof of
32 to enable the applicant to sit for the examination is two years at a
33 college of recognized standing and that one year of college is
34 equivalent to 30 college credits. Section 3 of the bill also alters the
35 experience that an applicant can substitute for the college requirement.
36 According to this section of the bill only full-time experience in a
37 position as deputy municipal clerk, assistant municipal clerk, acting
38 municipal clerk or some other position of county or municipal
39 government which requires performance of duties relative to those
40 performed by a municipal clerk would qualify. Under current law,
41 full-time experience in federal, State or local government in a position
42 which performs duties relative to those performed by a municipal clerk
43 would qualify.

44 Section 3 of the bill would also require an applicant to have
45 completed a course in Municipal Finance Administration for Municipal
46 Clerks instead of the course in Municipal Finance Administration as a

1 condition of eligibility to take the examination for municipal clerk
2 certification; however, applicants submitting application prior to July
3 1, 1994 could submit proof of completion of the course in Municipal
4 Finance Administration in lieu of Municipal Finance Administration for
5 Municipal Clerks.

6 The bill would also raise the fee for applying to sit for the
7 examination, as well as the certificate fee from \$25 to \$50.

8 Section 5 of the bill clarifies the complaint procedures for the
9 removal of a municipal clerk. This section specifies that a complaint
10 shall be filed with the director and that a certified copy shall be served
11 upon the person so charged. A hearing on the complaint shall be held
12 by the director or his designee between 30 and 60 days after service,
13 unless extended by the Superior Court upon application and good
14 cause shown by either party.

15 Section 6 of the bill adds as grounds for the removal of a tenured
16 municipal clerk, the failure of the clerk to meet continuing education
17 requirements.

18 Section 7 of the bill provides that all tenured municipal clerks who
19 do not hold certificates shall, at no cost, apply to the director for a
20 registered municipal clerk certificate within six months after this bill
21 is enacted into law. Upon verification of the applicant's tenured status,
22 the director shall issue a registered municipal clerk certificate marked
23 as restricted to the municipality employing the municipal clerk. A
24 municipal clerk holding such a certificate shall then be subject to all
25 the provisions of this bill.

26 Section 8 of this bill provides that commencing July 1, 1995 all
27 registered municipal clerk certificates shall be renewed upon
28 application, payment of the required fee, and verification that the
29 continuing education requirement has been satisfied. Each renewal
30 shall be for a two-year period. All certificates issued prior to July 1,
31 1993 shall expire June 30, 1995 and all certificates issued on or after
32 July 1, 1993 shall expire two years from the date on which the
33 certificate was originally issued.

34 Section 8 of this bill also provides that each applicant for renewal
35 of a certificate shall furnish proof of satisfaction of the continuing
36 education requirements prescribed by the director and payment of a
37 \$50 renewal fee.

38 Section 9 of this bill authorizes the director to adopt regulations,
39 forms and procedures necessary to carry out the provisions of this bill.

STATEMENT TO

ASSEMBLY, No. 824

with committee amendments

STATE OF NEW JERSEY

DATED: JANUARY 29, 1996

The Assembly Local Government Committee reports favorably Assembly Bill No. 824 with committee amendments.

Assembly Bill No. 824 as amended by the committee, modifies certain requirements concerning municipal clerks. The bill would require all municipal clerks to hold a registered municipal clerk certificate as a condition of appointment or reappointment as of January 1 following the third anniversary of the date this bill takes effect.

Under the bill, within 90 days of the occurrence of a vacancy in the office of municipal clerk, a municipal governing body may appoint, as acting municipal clerk for a one-year term, a person who does not hold a registered municipal clerk certificate. An acting municipal clerk would be allowed to serve up to two additional one-year terms with the approval of the director of the Division of Local Government Services. A local unit would not be permitted to fill the position of acting municipal clerk for more than three consecutive terms. Under current law, an acting clerk may serve only a six month term.

The bill would subject members of a governing body to a personal penalty of \$25 a day for violating procedural requirements concerning municipal clerks such as: failure or refusal to appoint a municipal clerk; appointment or reappointment of a person as municipal clerk who does not hold a registered municipal clerk certificate; and allowing a person to fill the position of acting municipal clerk for more than three consecutive years.

Section 3 of the bill clarifies that the higher education requirement that an applicant for municipal clerk certification must submit proof of to enable the applicant to sit for the examination is two years at a college of recognized standing and that one year of college is equivalent to 30 college credits. Section 3 of the bill also alters the experience that an applicant can substitute for the college requirement. According to this section of the bill, full-time or equivalent part-time experience in a position as deputy municipal clerk, assistant municipal clerk, acting municipal clerk or some other position of county or municipal government which requires performance of duties relative to those performed by a municipal clerk would qualify. Under current

law, full-time experience in federal, State or local government in a position which performs duties relative to those performed by a municipal clerk would qualify. The committee amended this section of the bill to also permit substitution of the college requirement by equivalent part-time experience in the appropriate municipal position.

Section 3 of the bill would also require an applicant to have completed a course in Municipal Finance Administration for Municipal Clerks instead of the course in Municipal Finance Administration as a condition of eligibility to take the examination for municipal clerk certification; however, applicants submitting application prior to July 1, 1994 could submit proof of completion of the course in Municipal Finance Administration in lieu of Municipal Finance Administration for Municipal Clerks.

The bill would also raise the fee for applying to sit for the examination, as well as the certificate fee from \$25 to \$50.

Section 5 of the bill clarifies the complaint procedures for the removal of a municipal clerk. This section specifies that a complaint shall be filed with the director and that a certified copy shall be served upon the person so charged. A hearing on the complaint shall be held by the director or his designee between 30 and 60 days after service, unless extended by the Superior Court upon application and good cause shown by either party.

Section 6 of the bill adds as grounds for the removal of a tenured municipal clerk, the failure of the clerk to meet continuing education requirements.

Section 7 of the bill provides that all tenured municipal clerks who do not hold certificates shall, at no cost, apply to the director for a registered municipal clerk certificate within six months after this bill is enacted into law. Upon verification of the applicant's tenured status, the director shall issue a registered municipal clerk certificate marked as restricted to the municipality employing the municipal clerk. A municipal clerk holding such a certificate shall then be subject to all the provisions of this bill.

Section 8 of this bill provides that commencing July 1, 1995 all registered municipal clerk certificates shall be renewed upon application, payment of the required fee, and verification that the continuing education requirement has been satisfied. Each renewal shall be for a two-year period. All certificates issued prior to July 1, 1993 shall expire June 30, 1995 and all certificates issued on or after July 1, 1993 shall expire two years from the date on which the certificate was originally issued.

Section 8 of this bill also provides that each applicant for renewal of a certificate shall furnish proof of satisfaction of the continuing education requirements prescribed by the director and payment of a \$50 renewal fee.

Section 9 of this bill authorizes the director to adopt regulations, forms and procedures necessary to carry out the provisions of this bill.

STATE OF NEW JERSEY

DATED: JUNE 3, 1996

The Senate Community Affairs Committee reports favorably and with committee amendments Assembly, No. 824 (1R).

As amended by the committee, this bill would require an individual to hold a registered municipal clerk certificate as a condition of appointment or reappointment as a municipal clerk as of January 1 following the third anniversary of the date this bill takes effect.

The bill would authorize a municipal governing body to appoint a person who does not hold a registered municipal clerk certificate to serve as the acting municipal clerk for a one-year term. An acting municipal clerk would be allowed to serve up to two additional one-year terms, subject to the approval of the director of the Division of Local Government Services. A local unit would not be permitted to fill the position of acting municipal clerk for more than three consecutive terms. Under current law, an acting clerk may serve only a six month term.

Section 3 of the bill would clarify the education requirement that an applicant must satisfy in order to sit for the certification examination. It provides that an applicant must submit proof of completion of two years of education at a college of recognized standing and that one year of college is equivalent to 30 college credits. This section of the bill would also allow an applicant who does not meet the higher education requirement to substitute on a year for year basis full-time or the equivalent part-time experience in a position as deputy municipal clerk, assistant municipal clerk, or other position of county or municipal government which requires performance of duties relative to those performed by a municipal clerk. Current law only allows an applicant to substitute full-time experience in federal, State or local government in the performance of duties relative to those performed by a municipal clerk for the higher education requirement.

Section 3 of the bill would also provide that an individual applying to sit for the examination on or after January 1, 1997 would have to complete a course in Municipal Finance Administration for Municipal

Clerks rather than the course in Municipal Finance Administration which is the current prerequisite.

The bill would raise the cost of both the application fee and the certification fee from \$25 to \$50.

Section 5 of the bill would require that a complaint for the removal of a municipal clerk must be filed with the director of the Division of Local Government Services and that a certified copy of the complaint must be served upon the person charged.

The bill would specify that a tenured municipal clerk may be removed from office for the failure of the clerk to comply with the continuing education requirements.

Section 7 of the bill would require all tenured municipal clerks who do not hold certificates to apply to the director for a registered municipal clerk certificate within six months after this bill is enacted into law. Upon verification of the applicant's tenured status, the director must issue a registered municipal clerk certificate marked as restricted to the municipality employing the municipal clerk. A municipal clerk holding such a certificate shall then be subject to all the provisions of this bill.

Section 8 of the bill provides that commencing July 1, 1996 all registered municipal clerk certificates shall be renewed for a two-year period upon application and verification that the continuing education requirement has been satisfied. All certificates issued prior to July 1, 1996 will expire on June 30, 1998 and all certificates issued on or after July 1, 1996 will expire two years from the date on which the certificate was originally issued.

Section 10 of the bill would clarify that municipalities are not required to pay any of the costs an individual may incur in obtaining or renewing a registered municipal clerk certificate unless the municipal governing body determines to do so by resolution. This may be satisfied by an annual resolution, a bill payment resolution, or any other mechanism deemed appropriate by the governing body.

The committee amended the bill to delete a provision that would have subjected members of a governing body to a personal penalty of \$25 a day for violating procedural requirements concerning municipal clerks such as: failure or refusal to appoint a municipal clerk; appointment or reappointment of a person as municipal clerk who does not hold a registered municipal clerk certificate; and allowing a person to fill the position of acting municipal clerk for more than three consecutive years.

The committee also amended the bill to delete a provision that would have required payment of a \$50 fee for renewal of a registered municipal clerk certificate.

The committee amendments also specify that municipalities are not required to pay any of the costs of obtaining or renewing a registered municipal clerk certificate unless the municipal governing body determines to do so by resolution.

full-time experience in a position as deputy municipal clerk, assistant municipal clerk, acting municipal clerk or some other position of county or municipal government which requires performance of duties relative to those performed by a municipal clerk would qualify for substitution of the required two years of college necessary for qualification to sit for the examination for the registered municipal clerks certificate.

Assembly Bill No. 824 was pre-filed for introduction in the 1996-1997 legislative session pending technical review. As reported by the committee, the bill contains changes required by technical review which has been performed.
