STATEMENT

This bill grants municipal superintendents of public works tenure in office after 5 years of service.

The purpose of this bill is to give recognition to the increasing demands for professional expertise that these positions require and to remove the opportunity for capricious appointments where the superintendent of public works has developed that expertise.

ASSEMBLY MUNICIPAL GOVERNMENT COMMITTEE NOT REMOVE

STATEMENT TO

SENATE, No. 1061

STATE OF NEW JERSEY

DATED: NOVEMBER 23, 1981

Senate Bill No. 1061 would authorize a municipality to grant tenure to any municipal superintendent of public works who has held that position for 5 or more years, notwithstanding that the person is serving for a fixed term. Tenure shall be granted to a superintendent of public works only upon the adoption of an authorizing ordinance by the municipal governing body.

SENATE COUNTY AND MUNICIPAL GOVERNMENT COMMITTEE

STATEMENT TO

SENATE, No. 1061

with Senate committee amendment

STATE OF NEW JERSEY

DATED: APRIL 23, 1981

Senate Bill No. 1061 would authorize municipalities to grant tenure in office to their municipal superintendents of public works after 5 years of service.

According to the sponsor, the purpose is "to give recognition to the increasing demands for professional expertise that these positions require and to remove the opportunity for capricious appointments where the superintendent of public works has developed that expertise."

The Senate committee amendment would require that tenure for the position be authorized by ordinance, rather than by resolution, of the governing body. This would subject the act of authorization to public hearing, and to action of the mayor in those municipalities where the mayor has a veto power.

KATHRYN FORSYTH

Governor Brendan Byrne today signed the following bills:

A-3426, sponsored by Assemblywoman Barbara Kalik (D-Burlington), permits all state employees to direct the State Treasury Department to desposit their bi-weekly paychecks directly in a designated banking institution. Direct deposit is now used by the Federal Government for retirement, salary and Social Security checks and by the State for pension checks. The bill provides that for institutions anticipating multiple deposits of State employee's checks, the deposits could be made electronically, by computer, or by one check for the total amount of the salary deposits.

S-1061, sponsored by Senator Donald DiFrancesco (R-Union), permits municipalities to provide tenure to "municipal superintendents of public works" after five consecutive years. This bill would primarly affect smaller muncipalities that have not adopted Civil Service.

S-1511, sponsored by Senator John Gregorio (D-Union), clarifies that "deadly weapons" used in the commission of certain crimes will include such items as toy guns and other objects which can be reasonably mistaken as a "deadly weapon". The bill would, in effect, increase the severity of a criminal act committed with toy guns, or such items, under the new Penal Gode.
