By Assemblywomen GREGORY-SCOCCHI, QUIGLEY and
Assemblyman Garrett

1 AN ACT concerning registration of sex offenders and
2 supplementing Title 2C of the New Jersey Statutes.

3

4 BE IT ENACTED by the Senate and General Assembly of the
5 State of New Jersey:

6 1. The Legislature finds and declares:

7 a. The danger of recidivism posed by sex offenders and
8 offenders who commit other predatory acts against children, and
9 the dangers posed by persons who prey on others as a result of
10 mental illness, require a system of registration that will permit
11 law enforcement officials to identify and alert the public when
12 necessary for the public safety.

13 b. A system of registration of sex offenders and offenders who
14 commit other predatory acts against children will provide law
15 enforcement with additional information critical to preventing
16 and promptly resolving incidents involving sexual abuse and
17 missing persons.

18 2. a. A person who has been convicted, adjudicated delinquent
19 or found not guilty by reason of insanity for commission of a sex
20 offense as defined in subsection b. of this section shall register
21 with the chief law enforcement officer of the municipality in
22 which the person resides, or if the municipality does not have a
23 local police force, the Superintendent of State Police. A person
24 who fails to register as required under this act shall be guilty of a
25 crime of the fourth degree.

26 b. For the purposes of this act a sex offense shall include the
27 following:

28 (1) Aggravated sexual assault, sexual assault, aggravated
29 criminal sexual contact or an attempt to commit any of these
30 crimes if the court found that the offender's conduct was
31 characterized by a pattern of repetitive, compulsive behavior,
32 regardless of the date of the commission of the offense or the
33 date of conviction;

34 (2) A conviction, adjudication of delinquency, or acquittal by
35 reason of insanity for aggravated sexual assault; sexual assault;
36 aggravated criminal sexual contact; kidnapping pursuant to
37 paragraph (2) of subsection c. of N.J.S.2C:13-1; endangering the
38 welfare of a child by engaging in sexual conduct which would
39 impair or debauch the morals of the child pursuant to subsection
40 a. of N.J.S.2C:24-4; endangering the welfare of a child pursuant
41 to paragraph (4) of subsection b. of N.J.S.2C:24-4; luring or
42 enticing pursuant to section 1 of P.L.1993, c.291 (C.2C:13-6); or
43 an attempt to commit any such offense if the conviction,
44 adjudication of delinquency or acquittal by reason of insanity is
45 entered on or after the effective date of this act or the offender

1 is serving a sentence of incarceration, probation or parole as a
2 result of the offense on the effective date of this act.

3 (3) A conviction, adjudication of delinquency or acquittal by
4 reason of insanity for an offense similar to any offense
5 enumerated in paragraph (2) or a sentence on the basis of criteria
6 similar to the criteria set forth in paragraph (1) of this subsection
7 entered or imposed under the laws of the United States, this state
8 or another state.

9 c. A person required to register under the provisions of this
10 act shall do so on forms to be provided by the appropriate law
11 enforcement agency as follows:

12 (1) A person, other than a person confined in a correctional
13 facility or involuntarily committed on the basis of mental illness,
14 who is required to register on the basis of a sex offense for which
15 a conviction, adjudication of delinquency or acquittal by reason
16 of insanity was entered prior to the effective date of this act,
17 shall register no later than 120 days after the effective date;

18 (2) A person confined in a correctional or juvenile facility or
19 involuntarily committed on the effective date of this act who is
20 required to register shall register prior to release in accordance
21 with procedures established by the Department of Corrections or
22 the Department of Human Services;

23 (3) A person moving to or returning to this State from another

38 d. Upon a change of address, the person must notify the law
39 enforcement agency with which the person is registered and must

43 address with the appropriate law enforcement agency every 90
44 days in a manner prescribed by the Attorney General, unless a
45 federal statute provides for a different verification requirement,
46 in which case the Attorney General may modify the requirement;
47 provided however, verification shall be required not more often
48 than every 30 days and not less often than annually. One year
49 after the effective date of this act, the Attorney General shall
50 review, evaluate and, if warranted, modify pursuant to the
51 "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et

29 to register to be published in a manner reasonably calculated to

33 Superintendent of State Police shall prepare the form of
34 registration statement as required in subsection b. of this section
35 and shall provide such forms to each organized full-time

27

28

29 STATEMENT

30

31 This bill requires the registration of sex offenders. It also
32 provides for a central registry for law enforcement purposes of
33 information concerning sex offenders.

34 Under the provisions of the bill, a person who has been
35 convicted, adjudicated delinquent or found not guilty by reason of
36 insanity for commission of a sex offense as defined in the bill
37 would register with the chief law enforcement officer of the
38 municipality in which the person resides. If the municipality does
39 not have a local police force, the person would be required to
40 register with Superintendent of State Police. A person who fails
41 to register would be guilty of a crime of the fourth degree.

42 Under the bill's provisions, a sex offense includes the following:

43 (1) Regardless of the date of the commission of the offense or
44 the date of conviction, a conviction for aggravated sexual
45 assault, sexual assault, aggravated criminal sexual contact or an
46 attempt to commit any of these crimes if the court found that
47 the offender's conduct was characterized by a pattern of
48 repetitive, compulsive behavior;

49 (2) A conviction, adjudication of delinquency, or acquittal by
50 reason of insanity for aggravated sexual assault; sexual assault;
51 aggravated criminal sexual contact; kidnapping; endangering the
52 welfare of a child by engaging in sexual conduct which would
53 impair or debauch the morals of the child; endangering the
54 welfare of a child; luring or an attempt to commit any such

1 offense if the conviction, adjudication of delinquency or acquittal
2 by reason of insanity is entered on or after the effective date of
3 this act or the offender is serving a sentence of incarceration,
4 probation or parole as a result of the offense on the effective
5 date of the bill.

6 Under the bill's provisions, a person, other than a person
7 confined in a correctional facility or involuntarily committed on
8 the basis of mental illness, must register with the appropriate law
9 enforcement agency not later than 120 days after the bill's
10 effective date for a sex offense for which a conviction,
11 adjudication of delinquency or acquittal by reason of insanity was
12 entered prior to the bill's effective date. A person confined in a
13 correctional or juvenile facility or involuntarily committed on the
14 bill's effective date would register prior to release in accordance
15 with procedures established by the Department of Corrections or
16 the Department of Human Services. A person moving to or
17 returning to this state from another jurisdiction would also be
18 required to register upon returning to the State. If a conviction,
19 adjudication of delinquency or acquittal by reason of insanity is
20 entered 120 days after the bill's effective date, the person must
21 register within four days of the date of judgment.

22 Upon change of address, a person who has registered must
23 notify the law enforcement agency with which the person
24 registered and must re-register with the appropriate law
25 enforcement agency no less than 10 days before he intends to
26 first reside at his new address.

27 A person required to register under this act would be required
28 to verify his address with the appropriate law enforcement
29 agency every 90 days in a manner prescribed by the Attorney
30 General unless federal law provides for a different verification
31 requirement. In no case, however, would the verification
32 requirement be more often than every 30 days or less often than
33 annually. After one year, the Attorney General will review this
34 verification requirement and, if warranted, modify the
35 requirement.

36 A person required to register could make application to the
37 Superior Court to terminate that obligation upon proof that the
38 person has not committed an offense within 15 years following
39 conviction or release from a correctional facility and is not likely
40 to commit an offense in the future.

41 Notice of the obligation to register would be provided by the
42 court after the imposition of a sentence, other disposition or
43 order of commitment following acquittal by reason of insanity.
44 The Department of Corrections, the Administrative Office of the
45 Courts and the Department of Human Services would establish
46 procedures for notification of persons under their supervision.
47 The Division of Motor Vehicles would provide notice in
48 connection with each application for a license to operate a motor
49 vehicle and each application for an identification card.

50 The Superintendent of State Police would maintain a central
51 registry of information concerning sex offenders under the bill's
52 provisions.

53 Records maintained pursuant to the bill would be open to law
54 enforcement agencies which would be authorized to release

1 relevant and necessary information regarding sex offenders to the
2 public when the release of the information is necessary for public
3 protection.

4 The bill provides immunity for elected public officials, public
5 employees, or public agencies from civil liability for damages for
6 failure to release relevant and necessary information, unless
7 gross negligence or bad faith is established.

RENUMBER SECTION 6 AS SECTION 7

SENATE LAW AND PUBLIC SAFETY COMMITTEE

STATEMENT TO

ASSEMBLY, No. 84

with committee amendments

STATE OF NEW JERSEY

DATED: SEPTEMBER 26, 1994

The Senate Law and Public Safety Committee favorably reports with committee amendments Assembly Bill No. 84.

As amended and released by the committee, this bill requires the registration of sex offenders. It also provides for a central registry for law enforcement purposes of information concerning sex offenders.

Under the provisions of the bill, a person who has been convicted, adjudicated delinquent or found not guilty by reason of insanity for commission of a sex offense as defined in the bill would register with a designated registering agency or the chief law enforcement officer of the municipality in which the person resides. If the municipality does not have a local police force, the person would be required to register with Superintendent of State Police. A person who fails to register would be guilty of a crime of the fourth degree.

Under the bill's provisions, a sex offense includes the following:

(1) Regardless of the date of the commission of the offense or the date of conviction, a conviction for aggravated sexual assault, sexual assault, aggravated criminal sexual contact, certain kidnapping offenses if the victim is under age 16, or an attempt to commit any of these crimes if the court found that the offender's conduct was characterized by a pattern of repetitive, compulsive behavior;

(2) A conviction, adjudication of delinquency, or acquittal by reason of insanity for aggravated sexual assault; sexual assault; aggravated criminal sexual contact; criminal sexual contact; kidnapping; endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of the child; endangering the welfare of a child; luring; criminal restraint or false imprisonment if the victim is a minor and the offender is not the parent of the victim; or an attempt to commit any such offense if the conviction, adjudication of delinquency or acquittal by reason of insanity is entered on or after the effective date of the bill, the offender is serving a sentence of incarceration; has been placed on probation, or parole or other form of community supervision; or is confined following acquittal by reason of insanity or as a result of civil commitment on the effective date of the bill.

Under the bill's provisions, a person who is under supervision in the community on probation, parole, furlough, work release or a similar program must register with the designated registering agency at the time the person is placed under supervision or not later than 120 days after the bill's effective date, whichever is later, in accordance with procedures established by the Department of Corrections, the Department of Human Services or the

Administrative Office of the Courts, whichever is responsible for supervision. A person confined in a correctional or juvenile facility or involuntarily committed would register prior to release in accordance with procedures established by the Department of Corrections or the Department of Human Services. A person moving to or returning to this state from another jurisdiction would also be required to register within 120 days of the effective date or 70 days of first residing in this State, whichever is later. If a conviction is entered prior to the effective date and the person is not confined or under supervision on the effective date, the person must register within 120 days after the bill's effective date.

Upon change of address, a person who has registered must notify the law enforcement agency with which the person registered and must re-register with the appropriate law enforcement agency no less than 10 days before he intends to first reside at his new address.

A sex offender required to register who is compulsive and repetitive would be required to verify his address with the appropriate law enforcement agency every 90 days in a manner prescribed by the Attorney General. All other offenders required to register would be required to verify their addresses annually. After one year, the Attorney General will review this verification requirement and, if warranted, modify the requirement.

A person required to register could make application to the Superior Court to terminate that obligation upon proof that the person has not committed an offense within 15 years following conviction or release from a correctional facility and is not likely to pose a threat to the safety of others.

Notice of the obligation to register would be provided by the court after the imposition of a sentence, other disposition or order of commitment following acquittal by reason of insanity. The Department of Corrections, the Administrative Office of the Courts and the Department of Human Services would establish procedures for notification of persons under their supervision. The Division of Motor Vehicles would provide notice in connection with each application for a license to operate a motor vehicle and each application for an identification card. The bill requires a registering person to sign a statement acknowledging that he has been advised of the duty to register.

All registering agencies would be required to transmit registration information to the county prosecutor, who would transmit the information to the Superintendent of State Police for the maintenance of a central registry of information concerning sex offenders under the bill's provisions. If the registrant will reside in a different county, the information will be transmitted to the county prosecutor of the county where the person will reside and any appropriate law enforcement agencies. The superintendent would transmit all conviction data and fingerprints of registered persons to the Federal Bureau of Investigation.

Records maintained pursuant to the bill would be open to law enforcement agencies in this State, the United States or any other state. New Jersey law enforcement agencies would be authorized to release relevant and necessary information regarding sex offenders to the public when the release of the information is necessary for public protection.

The bill provides immunity for elected public officials, public employees, or public agencies from civil liability for damages for failure to release relevant and necessary information, unless gross negligence or bad faith is established.

The amended bill also provides that conviction records of offenses for which registration is required under the bill would not be subject to expungement.

The amendments also add certain crimes to the definition of "sex offender" to make the bill comport with federal law.

As amended and released by the committee, this bill is identical to Senate Bill No. 13, which also was amended and released by the committee on this date.

ASSEMBLY, No. 84
STATE OF NEW JERSEY

DATED: September 26, 1994

Assembly Bill No. 84 of 1994 requires persons convicted of certain sexual offenses to register with the chief law enforcement official in the municipalities where they reside. Sexual offenders required to register include: (1) those ever convicted of sex crimes whose behavior was determined to be repetitive and compulsive; (2) those convicted, adjudicated delinquent or acquitted by reason of insanity for certain sexual offenses after the effective date of the bill or incarcerated or serving probation or parole on the effective date; and (3) persons convicted, adjudicated delinquent or acquitted by reason of insanity for crimes similar to categories 1 and 2 under laws of the United States or another state. The bill further requires a person subject to its provisions to verify his address with the appropriate law enforcement authority every 90 days in a manner prescribed by the Attorney General.

The bill directs the Departments of Correction and Human Services and the Administrative Office of the Courts to establish procedures for notification of persons subject to this act under their supervision. In addition, the bill directs the Division of Motor Vehicles (DMV) in the Department of Law and Public Safety to provide notice of the bill's provisions in driver's license applications.

The bill requires the Superintendent of the State Police in the Department of Law and Public Safety to maintain a central registry of information concerning sexual offenders. The bill permits the State Police to make these records available to law enforcement agencies and the public when the release of this information is necessary for public protection.

The Department of Law and Public Safety estimates the cost of implementing this bill to maintain a central registry at \$196,016 in the first year following enactment. This estimate includes \$134,365 for salary and fringe benefits for three staff and for five day's services of one deputy attorney general to prepare and propose the notification and registration rules required in this bill. This estimate also includes \$37,500 for materials and supplies, and \$37,500 for one-time equipment costs. Assuming an annual inflation rate of approximately six percent in the second year for salaries and deducting one-time data processing equipment and other costs, the department estimates the bill's second and third year costs at \$176,383 and \$172,582, respectively.

The Office of Legislative Services (OLS) does not concur with the department's cost estimate. The department's salary estimate for three full-time staff comprised of a State Police sergeant at \$68,900, data entry operator at \$17,500 and clerk typist at \$16,700 appears overstated. The division's estimate also includes \$20,600 for a State Police vehicle equipped with a radio. This vehicle does not appear to be necessary to implement the provisions of this bill.

Information received from the state of Washington indicates that its State Patrol maintains a central registry for approximately 8,500 convicted sex offenders with three part-time civilian staff at a yearly cost of \$75,100, which includes fringe benefits. Preliminary information received by OLS indicates the number of persons subject to registration under this bill will not exceed this number. Therefore, OLS has reduced the department's estimate to include the salaries and fringe benefits of a half-time civilian director and clerk-typist. The salary of a full-time data entry operator is included for year one, with this position reduced to half time in the second and third years. The State Police car and radio have been eliminated. After these adjustments, OLS estimates the department's cost of administering this bill at \$114,597, \$96,632 and \$94,899 in the first three years following enactment, respectively.

OLS notes that this estimate does not include costs that would be incurred by municipalities in registering sex offenders. It also does not include any additional costs that may be incurred by the Departments of Correction and Human Services, the Administrative Office of the Courts or the DMV to carry out their responsibilities under this bill.

This fiscal estimate has been prepared pursuant to P.L.1980, c.67.

1 AN ACT concerning registration of sex offenders and
2 supplementing Title 2C of the New Jersey Statutes.

3

4 BE IT ENACTED by the Senate and General Assembly of the
5 State of New Jersey:

6 1. The Legislature finds and declares:

7 a. The danger of recidivism posed by sex offenders and
8 offenders who commit other predatory acts against children, and
9 the dangers posed by persons who prey on others as a result of
10 mental illness, require a system of registration that will permit
11 law enforcement officials to identify and alert the public when
12 necessary for the public safety.

13 b. A system of registration of sex offenders and offenders who
14 commit other predatory acts against children will provide law
15 enforcement with additional information critical to preventing
16 and promptly resolving incidents involving sexual abuse and
17 missing persons.

18 2. a. A person who has been convicted, adjudicated delinquent
19 or found not guilty by reason of insanity for commission of a sex
20 offense as defined in subsection b. of this section shall register
21 with the chief law enforcement officer of the municipality in
22 which the person resides, or if the municipality does not have a
23 local police force, the Superintendent of State Police. A person

27 following:

29 criminal sexual contact or an attempt to commit any of these

31 characterized by a pattern of repetitive, compulsive behavior,
32 regardless of the date of the commission of the offense or the
33 date of conviction;

34 (2) A conviction, adjudication of delinquency, or acquittal by
35 reason of insanity for aggravated sexual assault; sexual assault;
36 aggravated criminal sexual contact; kidnapping pursuant to
37 paragraph (2) of subsection c. of N.J.S.2C:13-1; endangering the

40 a. of N.J.S.2C:24-4; endangering the welfare of a child pursuant
41 to paragraph (4) of subsection b. of N.J.S.2C:24-4; luring or
42 enticing pursuant to section 1 of P.L.1993, c.291 (C.2C:13-6); or
43 an attempt to commit any such offense if the conviction,
44 adjudication of delinquency or acquittal by reason of insanity is
45 entered on or after the effective date of this act or the offender

- 1 is serving a sentence of incarceration, probation or parole as a
2 result of the offense on the effective date of this act.
- 3 (3) A conviction, adjudication of delinquency or acquittal by
4 reason of insanity for an offense similar to any offense
5 enumerated in paragraph (2) or a sentence on the basis of criteria
6 similar to the criteria set forth in paragraph (1) of this subsection

10 act shall do so on forms to be provided by the appropriate law
11 enforcement agency as follows:
- 12 (1) A person, other than a person confined in a correctional
13 facility or involuntarily committed on the basis of mental illness,
14 who is required to register on the basis of a sex offense for which

16 of insanity was entered prior to the effective date of this act,
17 shall register no later than 120 days after the effective date:
- 18 (2) A person confined in a correctional or juvenile facility or
19 involuntarily committed on the effective date of this act who is
20 required to register shall register prior to release in accordance

22 the Department of Human Services;
- 23 (3) A person moving to or returning to this State from another
24 jurisdiction shall (a) notify the appropriate law enforcement

45 federal statute provides for a different verification requirement,

47 provided however, verification shall be required not more often
48 than every 30 days and not less often than annually. One year
49 after the effective date of this act, the Attorney General shall
50 review, evaluate and, if warranted, modify pursuant to the
51 "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et

29

STATEMENT

30

31 This bill requires the registration of sex offenders. It also
32 provides for a central registry for law enforcement purposes of
33 information concerning sex offenders.

34 Under the provisions of the bill, a person who has been
35 convicted, adjudicated delinquent or found not guilty by reason of
36 insanity for commission of a sex offense as defined in the bill
37 would register with the chief law enforcement officer of the
38 municipality in which the person resides. If the municipality does
39 not have a local police force, the person would be required to
40 register with Superintendent of State Police. A person who fails
41 to register would be guilty of a crime of the fourth degree.

42 Under the bill's provisions, a sex offense includes the following:

43 (1) Regardless of the date of the commission of the offense or
44 the date of conviction, a conviction for aggravated sexual
45 assault, sexual assault, aggravated criminal sexual contact or an
46 attempt to commit any of these crimes if the court found that
47 the offender's conduct was characterized by a pattern of
48 repetitive, compulsive behavior;

49 (2) A conviction, adjudication of delinquency, or acquittal by
50 reason of insanity for aggravated sexual assault; sexual assault;
51 aggravated criminal sexual contact; kidnapping; endangering the
52 welfare of a child by engaging in sexual conduct which would
53 impair or debauch the morals of the child; endangering the
54 welfare of a child; luring or an attempt to commit any such

1 offense if the conviction, adjudication of delinquency or acquittal
2 by reason of insanity is entered on or after the effective date of
3 this act or the offender is serving a sentence of incarceration,
4 probation or parole as a result of the offense on the effective
5 date of the bill.

6 Under the bill's provisions, a person, other than a person
7 confined in a correctional facility or involuntarily committed on
8 the basis of mental illness, must register with the appropriate law
9 enforcement agency not later than 120 days after the bill's
10 effective date for a sex offense for which a conviction,
11 adjudication of delinquency or acquittal by reason of insanity was
12 entered prior to the bill's effective date. A person confined in a
13 correctional or juvenile facility or involuntarily committed on the
14 bill's effective date would register prior to release in accordance
15 with procedures established by the Department of Corrections or
16 the Department of Human Services. A person moving to or
17 returning to this state from another jurisdiction would also be
18 required to register upon returning to the State. If a conviction,
19 adjudication of delinquency or acquittal by reason of insanity is
20 entered 120 days after the bill's effective date, the person must
21 register within four days of the date of judgment.

22 Upon change of address, a person who has registered must
23 notify the law enforcement agency with which the person
24 registered and must re-register with the appropriate law
25 enforcement agency no less than 10 days before he intends to
26 first reside at his new address.

27 A person required to register under this act would be required
28 to verify his address with the appropriate law enforcement
29 agency every 90 days in a manner prescribed by the Attorney
30 General unless federal law provides for a different verification
31 requirement. In no case, however, would the verification
32 requirement be more often than every 30 days or less often than
33 annually. After one year, the Attorney General will review this
34 verification requirement and, if warranted, modify the
35 requirement.

36 A person required to register could make application to the
37 Superior Court to terminate that obligation upon proof that the
38 person has not committed an offense within 15 years following
39 conviction or release from a correctional facility and is not likely
40 to commit an offense in the future.

41 Notice of the obligation to register would be provided by the
42 court after the imposition of a sentence, other disposition or
43 order of commitment following acquittal by reason of insanity.
44 The Department of Corrections, the Administrative Office of the
45 Courts and the Department of Human Services would establish
46 procedures for notification of persons under their supervision.
47 The Division of Motor Vehicles would provide notice in
48 connection with each application for a license to operate a motor
49 vehicle and each application for an identification card.

50 The Superintendent of State Police would maintain a central
51 registry of information concerning sex offenders under the bill's
52 provisions.

53 Records maintained pursuant to the bill would be open to law
54 enforcement agencies which would be authorized to release

1 relevant and necessary information regarding sex offenders to the
2 public when the release of the information is necessary for public
3 protection.

4 The bill provides immunity for elected public officials, public
5 employees, or public agencies from civil liability for damages for
6 failure to release relevant and necessary information, unless
7 gross negligence or bad faith is established.

TRENTON, N.J. 08625

Release: IMMEDIATE
OCT. 31, 1994

Gov. Christie Whitman today signed an 11-bill package of legislation establishing a comprehensive system for dealing with convicted sex offenders, ranging from community notification to extended prison sentences.

Whitman signed the legislation at a public ceremony in her office.

"This package represents a comprehensive and balanced response to a complex law enforcement and social issue," Whitman said. "Our priority in these efforts was to create a system of protection for the community at large as well as to enhance our ability to deal with individuals who commit crimes of this nature."

Whitman commended the Legislature for its reasoned response as embodied in the bill package.

"These bills are an outstanding example of what can be accomplished through bi-partisan cooperation and when there is a high level of coordination between the Executive and Legislative branches of government to solve problems," Whitman said.

The bills signed into law today are:

A-165, sponsored by Assemblymen Patrick Roma, R-Bergen, and Gary Stuhltrager, R-Salem, to require the Department of Corrections or the Department of Human Services to provide written notification to a county prosecutor prior to the release of an adult or juvenile who has been convicted or judged delinquent of certain offenses, including murder and sexual crimes. The prosecutor, in turn, is required to notify the Office of Victim-Witness Advocacy.

A-84, sponsored by Assemblywomen Joanna Gregory-Scocchi, R-Middlesex, and Joan Quigley, D-Bergen, to require the registration of sex offenders with a designated registration agency

or the chief law enforcement officer of the municipality in which the person resides.

S-14, sponsored by Sens. Peter Inverso, R-Mercer, and Gerald Cardinale, R-Bergen, to provide for community notification when a sex offender is released from an institution and moves into a municipality. The community notification is to be given in accordance with guidelines developed by the Attorney General.

S-320, sponsored by Sens. John Girgenti, D-Passaic, and Louis Kosco, R-Bergen, to establish community supervision for life for convicted sex offenders. Community supervision will begin upon the offender's release and the monitoring system is similar to that used for parolees.

S-1398, sponsored by Sens. Andrew Ciesla, R-Monmouth, and John Scott, R-Bergen, to establish victim notification procedures for victims of domestic violence when the offender is scheduled to appear for any court proceeding related to the offense. It also requires notification to a county prosecutor upon the offender's release from jail.

S-11, sponsored by Sens. Donald DiFrancesco, R-Union, and Robert Martin, R-Morris, to provide for an extended prison term for a sexual offender if the crime involved violence and if the victim was 16 years of age or under.

S-15, sponsored by Sens. Andrew Ciesla, R-Monmouth, and Jack Sinagra, R-Middlesex, to provide that no inmate at the Adult Diagnostic and Treatment Center at Avenel will be eligible for good behavior credit unless the individual cooperates with the treatment program offered at the institution.

A-1592, sponsored by Assemblywoman Joan Quigley, D-Bergen, and Assemblyman Nicholas Felice, R-Bergen, to require persons convicted of sexual offenses to provide samples of blood for DNA profiling and use in connection with criminal investigations.

A-81, sponsored by former Assemblyman Frank Catania, R-Passaic, and Assemblywoman Marion Crecco, R-Essex, to establish a victim's age of less than 14 years old as an aggravating factor in death penalty cases.

A-86, sponsored by Assemblymen Patrick Roma, R-Bergen, and Gary Stuhltrager, R-Salem, to provide for the involuntary commitment of sex offenders whose conduct has been characterized by a pattern of repetitive, compulsive behavior.

A-1602, sponsored by Assemblymen John Rocco and Lee Solomon, both R-Camden, to provide that a prosecuting agency must notify the victim of a domestic violence matter whenever a defendant charged with an offense involving domestic violence is released from custody.
