STATEMENT

19

20 This bill renames the proposed New Jersey Fire Engine and
21 Equipment Museum at Allaire Village in memory of the late
22 Senator and Newark Fire Director John P. Caufield. This would
23 be a fitting tribute to an individual who devoted his life and
24 energies to the use of fire prevention as a means of saving lives.
25 Through his work, the lives of thousands of people were spared
26 the horror and destruction of fire.

27 Earlier this year, legislation was enacted, P.L.1987, c.437, that
28 would appropriate \$2,000,000.00 toward the construction of such
29 a museum. That law made the appropriation contingent upon the
30 success of private fund raising by a non-profit organization, the
31 New Jersey Fire Engine and Equipment Museum at Allaire, Inc.,
32 which must demonstrate its ability to generate sufficient funds
33 for the operation of the museum.
