ASSEMBLY TRANSPORTATION AND COMMUNICATIONS
COMMITTEE

STATEMENT TO

SENATE, No. 250

with Assembly committee amendments

STATE OF NEW JERSEY

DATED: JUNE 11, 1979

This bill, as amended by the committee, would permit an active member of the New Jersey National Guard to obtain special registration plates identifying the holder as a member of the "Air National Guard" or the "Army National Guard," as the case may be.

It is estimated that approximately 17,000 persons would be eligible to obtain such plates.

The Division of Motor Vehicles opposes the bill on the grounds that any additional fees prescribed by the director of the division will not be used by the Division to pay for the issuance of the plates but instead will be forwarded to the General State Fund. The division also notes that the size limitations of the plates would not permit the full inclusion of the words "Air National Guard" or "Army National Guard" on such plates.

A statement from the Governor on the signing of A3659 is attached.

S-439, sponsored by Senator Frank J. Dodd (D-Essex), which validates deeds made by fiduciaries that have been recorded for at least five years, despite failure to recite the actual consideration as required by NJSA 46:15-6, enacted in 1968.

Prior to that time, stating consideration in a deed was a peculiar requirement for fiduciary deeds. Since it was unusual, a recitation of consideration was occasionally inadvertently omitted from the deed.

This bill validates those deeds provided they were recorded more than five years ago. This clears up the minor flaw on title which those deeds present.

S-486, sponsored by Senator Joseph A. Maressa (D-Gloucester), which amends the law regarding motor vehicle vision re-examinations.

This bill only applies to the random selection by the Division of Motor Vehicles of individuals who are asked to take re-examination for their vision. Prior to signing of this bill, only optometrists and ophthalmologists could certify such exams. This bill permits licensed doctors of medicine and osteopathy to certify such exams.

S-250, sponsored by Senator Anthony Scardino, Jr. (D-Bergen). S-1335, sponsored by Senator Brian T. Kennedy (R-Monmouth), and S-3157, sponsored by Senator Frank X. Graves, Jr. (D-Passaic), which are companion bills providing for the issuance of special license plates to disabled veterans, active members of the New Jersey Air or Army National Guard, and members of first aid or rescue squads.

A-1114, sponsored by Assemblyman Donald H. Stewart (D-Gloucester), which contains a series of amendments to the law governing the New Jersey Property-Liability/Guaranty Association.

The Association administers the affairs of insolvent insurers. The Association, among other things, establishes a fund for the compensation of certain insureds of insolvent carriers.
