ASSEMBLY EDUCATION COMMITTEE

STATEMENT TO

**ASSEMBLY, No. 177**

with Assembly committee amendments

**STATE OF NEW JERSEY**

DATED: MAY 17, 1982

Assembly Bill No. 177 aca permits special education teachers and driver education instructors to read the questions contained in the written portion of the drivers examination to reading disabled students who are enrolled in driver education programs in local school districts.

Local high schools frequently administer the written portion of the drivers examination as part of their driver education programs. However, reading disabled students must be administered the written examination at one of the testing centers operated by Motor Vehicles. This bill would permit special education teachers and driver education instructors to administer the written test.
