ASSEMBLY, No. 4575

with committee amendments

STATE OF NEW JERSEY

DATED: DECEMBER 10, 2015

The Assembly Appropriations Committee reports favorably Assembly Bill No. 4575, with committee amendments.

As amended, this bill creates a definition of certified mail, to include private express carrier service, provided that the private express carrier service supplies confirmation of mailing, which may be completed electronically and which must include confirmation of fact and time of mailing, the date and time of delivery, attempted delivery, and signature or other confirmation or proof of delivery. Additionally, this bill as amended, maintains the present statutory definition provided for registered mail to include “certified mail.”

As amended and reported, this bill is identical to Senate Bill No. 3171 (1R), as also reported by the committee.

FISCAL IMPACT:

This bill has not been certified as requiring a fiscal note.

COMMITTEE AMENDMENTS:

The amendments clarify that the definition of “certified” mail includes private express carrier service as long as confirmation of mailing is provided by the private express carrier service. The amendments require that the confirmation of mailing include, at a minimum, the fact and time of mailing, date and time of delivery, attempted delivery, and signature or other conformation or proof of delivery. The amendments maintain the present definition of registered mail, instead of the expanded definition provided in the bill as introduced. The title and synopsis of the bill have been amended accordingly.
