Governor Christie Takes Action on Pending Legislation

Friday, July 21, 2017

Tags: [Bill Action](#)

Trenton, NJ – Governor Chris Christie today took action on dozens of bills, including S-359/A-2320 (Codey, Vitale/Vainieri Huttie, Conaway, Jimenez, Lampitt, Jasey, Sumter), which raises the minimum age from 19 to 21 of a person to whom a vendor may sell, offer for sale, distribute, give or furnish tobacco products in New Jersey. This new law also amends various related statues concerning penalties, fines, signage requirements, non-face-to-face transactions, and enforcement provisions to reflect the increased minimum age.

“By raising the minimum age to purchase tobacco products to 21, we are giving young people more time to develop a maturity and better understanding of how dangerous smoking can be and that it is better to not start smoking in the first place,” Governor Christie said. “My mother died from the effects of smoking, and no one should lose their life due to any addictive substance. Additionally, the less people who develop costly tobacco habits that can cause health problems, such as lung cancer, heart disease and developmental issues, the less strain there will be on our healthcare system.”

Governor Christie also took action on pending legislation related to:

Further Addressing the Opioid Epidemic

Governor Christie signed four bills that continue New Jersey's leadership role in fighting the national opioid epidemic. The legislation that requires the Department of Human Services develop, maintain, and post on their website daily information about the number of open beds available in facilities in the state for people in need of mental health or substance use disorder treatment; help inform parents of student athletes and cheerleaders about the use and misuse of prescription opioids; allows hospice programs to accept the unused prescription medicines of their hospice patients for safe disposal and implements the use of current-day, sensitive terminology when referring to persons with substance use disorders or certain disabilities.

- **A-1662/S-2466 (Schaer, Vainieri Huttie, Coughlin, McKnight, Mukherji/Vitale, Allen)** - Requires development and maintenance of data dashboard report to advise of open bed availability in residential facilities providing behavioral health services
- **A-3944/S-2402 (Mazzeo, Lagana, Vainieri Huttie, Benson, Caride, Wimberly/Diegnan, Vitale)** - Requires DOE to develop educational fact sheet for distribution to parents of student-athletes and cheerleaders concerning use and misuse of prescription opioids
- **S-2970/A-4522 (Vitale, Diegnan/Lampitt, Vainieri Huttie, Jimenez)** - Allows hospice care programs to accept unused prescription medications for disposal under certain circumstances
- **S-2721/ACS for A-926 (Vitale, Whelan/Vainieri Huttie, Benson, Tucker, Eustace, McKnight, Mosquera)** - Implements person-first language and changes pejorative terminology referring to persons with certain disabilities or substance use disorders

Protecting and Preserving the Environment

The Governor also signed several bills to protect people and improve the quality of life by strengthening New Jersey's environment.

“These new laws will create more open space preservation opportunities, green energy solutions and safeguards to ensure quality drinking water for all New Jerseyans,” Governor Christie said. “They provide greater flexibility for counties and municipalities to use the roughly \$270 million open space tax dollars they collect each year for the intended mission of protecting New Jersey's environment, improving communities with more recreation and
