- The Office of Legislative Services (OLS) concludes that the enactment of Senate Bill No. 172 would result in an indeterminate revenue loss to municipalities that have parking meters.
- The OLS cannot provide a more definitive estimate of the total amount of foregone parking meter revenues because there is no available information regarding the frequency with which the owner of a motor vehicle with disabled veteran's or Purple Heart license plates will park in a municipality that has parking meters.

BILL DESCRIPTION

Senate Bill No. 172 of 2014 exempts a person who is a disabled veteran or recipient of the Purple Heart from the payment of municipal parking meter fees when a motor vehicle owned by the disabled veteran or the Purple Heart recipient displays disabled veteran's or Purple Heart license plates issued by the New Jersey Motor Vehicle Commission, unless the vehicle has been parked in one location for more than 24 hours. The exemption would apply only when the disabled veteran or recipient of the Purple Heart, to whom the special license plates have been issued, is either the driver or a passenger of the vehicle.

OFFICE OF LEGISLATIVE SERVICES

The OLS concludes that the enactment of Senate Bill No. 172 would result in an indeterminate loss of revenues to municipalities that have parking meters. The OLS cannot provide a more definitive estimate of the amount of the foregone parking meter revenues because there is no available information regarding the frequency with which the owner of a motor vehicle with disabled veteran's or Purple Heart license plates will park in a municipality that has parking meters. According to the New Jersey Motor Vehicle Commission, as of 2012, 546 disabled veteran's license plates have been issued and 3,720 Purple Heart license plates have been issued since 1980. Current law provides that a disabled person who has been issued handicapped license plates or a handicapped placard may park overtime at metered parking so long as the vehicle has not been parked in one location for more than 24 hours. Therefore, some disabled veterans or Purple Heart recipients are already exempted from the payment of fees at municipal parking meters, even if they do not have the disabled veteran or Purple Heart license plates.
