STATEMENT

24

25 This bill resolves certain ambiguities regarding the  
26 appointment of members of regional health commissions.  
27 Specifically, the bill provides that a regional health commission  
28 which is composed of more than seven local boards of health shall  
29 consist of either one member from each board, or a designated  
30 representative from each board. The bill also provides that when  
31 an independent local board of health is in place, the members or  
32 representatives to serve on a regional health commission shall be  
33 appointed by the board of health, and that when no independent  
34 local board of health exists, members of regional health  
35 commissions shall be appointed by the local governing body. The  
36 bill also provides that members of regional health commissions  
37 shall serve on regional health commissions at the pleasure of the  
38 appointing authority.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] in the  
above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

ASSEMBLY HEALTH AND HUMAN SERVICES COMMITTEE

STATEMENT TO

ASSEMBLY, No. 559

STATE OF NEW JERSEY

DATED: MAY 14, 1990

The Assembly Health and Human Services Committee favorably reports Assembly No. 559.

This bill amends P.L.1938, c.67 (C.26:3-83 et seq.) to provide that a regional health commission which is composed of more than seven local boards of health shall consist of either one member from each board, or a designated representative from each board. The bill also provides that when an independent local board of health is in place, the members or representatives to serve on a regional health commission shall be appointed by the board of health, and that when no independent local board of health exists, members of regional health commissions shall be appointed by the local governing body. The bill also provides that members of regional health commissions shall serve on regional health commissions at the pleasure of the appointing authority.

This bill is identical to Assembly Bill No. 3977 of 1988 (Imprevduto), which was reported by the Assembly County Government and Regional Authorities Committee on June 26, 1989 but did not advance beyond second reading in the Assembly.

This bill was pre-filed for introduction in the 1990-91 session pending technical review. As reported, the bill includes the changes required by technical review which has been performed.

SENATE INSTITUTIONS, HEALTH AND WELFARE COMMITTEE

STATEMENT TO

ASSEMBLY, No. 559

STATE OF NEW JERSEY

DATED: OCTOBER 4, 1990

The Senate Institutions, Health and Welfare Committee favorably reports Assembly Bill No. 559.

This bill amends P.L.1938, c.67 (C.26:3-83 et seq.) to provide that a regional health commission which is composed of more than seven local boards of health shall consist of either one member from each board, or a designated representative from each board. The bill also provides that when an independent local board of health is in place, the member or representative to serve on a regional health commission shall be appointed by the board of health, and that when no independent local board of health exists, the regional health commission member shall be appointed by the local governing body. The bill also provides that members of a regional health commission shall serve on the commission at the pleasure of the appointing authority.

This bill is identical to Senate Bill No. 988 (Cowan), which the committee also reported favorably on this date.
