A1609(1984)

ASSEMBLY EDUCATION COMMITTEE

STATEMENT TO

**ASSEMBLY, No. 1609**

**STATE OF NEW JERSEY**

DATED: JUNE 21, 1984

**PROVISIONS:**

This bill establishes an appointed school board for counties of the third class with a population greater than 80,000 but less than 105,000 and requires school budgets in such counties to be approved by the county board of school estimate. In addition, this bill repeals P. L. 1977, c. 30 (C. 18A:54-16.1 et seq.) that provides for school elections, school budgets and the issuance of school bonds by county vocational school districts in certain counties.

**BACKGROUND:**

This bill is similar to P. L. 1983, c. 396 (C. 18A:54-16.8 et seq.) which had the effect of removing Sussex county from the provisions of the 1977 law that established elected school boards and budget referenda for both Sussex and Warren County Vocational School districts.

This bill repeals the 1977 law, removing the elected board and budget referendum from the only remaining county vocational-technical school affected by the 1977 law, Warren County Vocational-Technical School District, and replaces the elected board and budget referendum with an appointed board and a budget approved by the county board of school estimate.

SENATE EDUCATION COMMITTEE

STATEMENT TO

**ASSEMBLY, No. 1609**

**STATE OF NEW JERSEY**

DATED: JULY 30, 1984

This bill establishes an appointed school board for the Warren County Vocational Technical School and requires that the school budget be approved by the county board of school estimate.

It also repeals P. L. 1977, c. 30 (C. 18A:54-16.1 et seq.), which established an elected school board for the Warren and Sussex County Vocational Technical Schools.

The 1977 statute made Warren and Sussex counties the only counties with an elected county vocational school board. In 1983, Sussex county returned to an appointed board (P. L. 1983, c. 396 (C. 18:54-16.8 et seq.)).

This bill is identical to Senate Bill No. 1275.
