4 ¹e. Notwithstanding the provisions of any other law to the
5 contrary, simulcasting of a special running race meeting authorized by
6 this section shall be conducted as if the special running race meeting is
7 held at the location for which the special permit holder holds a running
8 race permit, except that the special permit holder may also transmit the
9 simulcast signal to the racetrack for which the special permit holder
10 holds a running race permit. The simulcasting within this State of a
11 special running race meeting authorized by this section shall not
12 require the consent of any horsemen's organization and shall be made
13 available at the industry standard rate. Upon application to and
14 approval by the commission, the holder of a special permit granted
15 pursuant to subsection a. of this section may transmit simulcast horse
16 races of the special running race meeting to any facility outside of
17 New Jersey with which the special permit holder has entered into an
18 agreement.

19 f. Notwithstanding the provisions of section 1 of P.L.1949, c.26
20 (C.5:5-39.1), the conduct of a steeplechase race meeting as provided
21 under this section, which shall not exceed two days in a calendar year,
22 shall not require approval by the legal voters of the county or the
23 municipality where the race is to be held, but the governing body of
24 the municipality may object to the issuance of the special permit in
25 accordance with this subsection. Prior to granting a special permit
26 pursuant to subsection a. of this section, the commission shall provide
27 written notice to the governing body of the municipality where the
28 special steeplechase race meeting is to be held. The governing body
29 may object to the issuance of the special permit by passing a resolution
30 within 30 days of receipt of the notice and by transmitting a copy of
31 the resolution to the commission, in which case the special permit shall
32 not be issued. If the governing body does not object by passing a
33 resolution within 30 days of receipt of the notice, the commission may
34 grant the special permit.¹

8 1. a. Notwithstanding the provisions of section 1 of P.L.1949,
9 c.26 (C.5:5-39.1) or any other law to the contrary, the commission
10 may grant a special permit, to a permit holder in good standing
11 authorized to conduct running races in this State, for the holding or
12 conducting of a special steeplechase race meeting at a location other
13 than a racetrack, provided that the special steeplechase race meeting
14 is conducted in conjunction with an organization that has
15 experience conducting steeplechase races pursuant to section 54 of
16 P.L.1940, c.17 (C.5:5-74), and provided that the special
17 steeplechase race meeting is recognized by the National
18 Steeplechase and Hunt Association. A special permit granted
19 pursuant to this subsection shall be subject to the jurisdiction of the
20 commission.

21 b. The commission may grant only one special permit pursuant
22 to subsection a. of this section per calendar year, which shall be
23 valid only for the calendar year in which it is issued. Any running
24 race permit holder in good standing may apply for the special
25 permit. The number of racing days authorized pursuant to the
26 special permit shall not exceed two days in a calendar year. Any
27 racing day that is run pursuant to the special permit shall count
28 toward the total number of racing days allotted to the running race
29 permit holder.

30 c. A permit holder that is granted a special permit pursuant to
31 this section shall keep and maintain separate books and records for
32 the special steeplechase race meeting to the same extent as is
33 required of a permit holder and shall file such report and audits as
34 may otherwise be required on or before such date as the
35 commission may designate.

36 d. Sums in the parimutuel pools shall be distributed as if the
37 special steeplechase race meeting is held at the location for which
38 the special permit holder holds a running race permit, as provided in
39 chapter 5 of Title 5 of the Revised Statutes, except that the special
40 permit holder may enter into a contractual agreement with the
41 organization with which the permit holder is conducting the special
42 steeplechase race meeting providing for the distribution of money
43 that would otherwise statutorily be distributed to the permit holder.

For decades, the State of New Jersey has been home to the Far Hills race meeting, a celebrated series of steeplechase horse races held in Far Hills in Somerset County. Though the Far Hills race meeting has traditionally been very popular, wagering is not currently permitted on the races. This bill would allow a running race permit holder in good standing with the State to coordinate with the Far Hills Race Meeting Association in order to allow wagering on the races, which should benefit both the horse racing industry and the viewing public.

This bill authorizes the New Jersey Racing Commission to grant a special permit, to a permit holder in good standing authorized to conduct running races in this State, for the holding or conducting of a special steeplechase race meeting at a location other than an official racetrack. The permit holder must conduct the special race meeting in conjunction with an organization that has experience conducting steeplechase races pursuant to N.J.S.A.5:5-74, and the race meeting must be recognized by the National Steeplechase and Hunt Association. A special permit granted pursuant to this bill would be subject to the jurisdiction of the commission.

The commission would be allowed to grant only one special permit per calendar year, which would be valid only for the calendar year in which it is issued. Any running race permit holder in good standing may apply for the special permit. The number of racing days authorized pursuant to the special permit would not be permitted to exceed two days in a calendar year. Any racing day that is run pursuant to the special permit would count toward the total number of racing days allotted to the running race permit holder.

A permit holder that is granted a special permit under the bill would be required to maintain separate books and records, and file reports and audits, for the special steeplechase race meeting to the same extent a permit holder is required to do so by law. Sums in the parimutuel pools that result from wagering on races at the special steeplechase race meeting would be distributed as if the special steeplechase race meeting is held at the location for which the special permit holder holds a running race permit. However, the special permit holder would be able to enter into a contractual agreement with the organization with which the permit holder is conducting the special race meeting providing for the distribution of money that would otherwise statutorily be distributed to the permit holder.

ASSEMBLY TOURISM, GAMING AND THE ARTS
COMMITTEE

STATEMENT TO
ASSEMBLY, No. 1697

with committee amendments

STATE OF NEW JERSEY

DATED: JUNE 2, 2016

The Assembly Tourism, Gaming and the Arts Committee reports favorably and with committee amendments Assembly Bill No. 1697.

For decades, the State of New Jersey has been home to the Far Hills race meeting, a celebrated series of steeplechase horse races held in Far Hills in Somerset County. Although the Far Hills race meeting has traditionally been very popular, wagering is not currently permitted on the races. This bill would allow a running race permit holder in good standing with the State to coordinate with the Far Hills Race Meeting Association in order to allow wagering on the races, which should benefit both the horse racing industry and the viewing public.

This bill authorizes the New Jersey Racing Commission to grant a special permit, to a permit holder in good standing authorized to conduct running races in this State, for the holding or conducting of a special steeplechase race meeting at a location other than an official racetrack. The permit holder must conduct the special race meeting in conjunction with an organization that has experience conducting steeplechase races pursuant to N.J.S.A.5:5-74, and the race meeting must be recognized by the National Steeplechase and Hunt Association. A special permit granted pursuant to this bill would be subject to the jurisdiction of the commission.

The commission would be allowed to grant only one special permit per calendar year, which would be valid only for the calendar year in which it is issued. Any running race permit holder in good standing may apply for the special permit. The number of racing days authorized pursuant to the special permit would not be permitted to exceed two days in a calendar year. Any racing day that is run pursuant to the special permit would count toward the total number of racing days allotted to the running race permit holder.

A permit holder that is granted a special permit under the bill would be required to maintain separate books and records, and file reports and audits, for the special steeplechase race meeting to the

same extent a permit holder is required to do so by law. Sums in the parimutuel pools that result from wagering on races at the special steeplechase race meeting would be distributed as if the special steeplechase race meeting is held at the location for which the special permit holder holds a running race permit. However, the special permit holder would be able to enter into a contractual agreement with the organization with which the permit holder is conducting the special race meeting providing for the distribution of money that would otherwise statutorily be distributed to the permit holder.

Under the bill, as amended, the simulcasting of a special running race meeting authorized by the bill would be conducted as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, but the special permit holder may also transmit the simulcast signal to the racetrack for which the special permit holder holds a running race permit. The simulcasting within this State of a special running race meeting authorized by this section would not require the consent of any horsemen's organization and would be made available at the industry standard rate. Upon application to and approval by the commission, the holder of a special permit granted pursuant to the bill may transmit simulcast horse races of the special running race meeting to any facility outside of New Jersey with which the special permit holder has entered into an agreement.

In addition, the bill, as amended, provides that the conduct of a steeplechase race meeting, which must not exceed two days in a calendar year, would not require approval by the legal voters of the county or the municipality where the race is to be held, but the governing body of the municipality may object to the issuance of the special permit. Prior to granting a special permit, the commission would be required to provide written notice to the governing body of the municipality where the special steeplechase race meeting is to be held. The governing body may object to the issuance of the special permit by passing a resolution within 30 days of receipt of the notice and by transmitting a copy of the resolution to the commission, in which case the special permit must not be issued. If the governing body does not object by passing a resolution within 30 days of receipt of the notice, the commission may grant the special permit.

The location of the special steeplechase race meeting is not a horse racetrack and it does not afford the owners of the location any right or privilege of the holder of a permit to conduct a horse race meeting, except as otherwise specifically provided in the bill.

This bill was pre-filed for introduction in the 2016-2017 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.

COMMITTEE AMENDMENTS

The amendments:

(1) permit the simulcasting of the special running race meeting to in-State and out-of-State facilities as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, including simulcasting to the racetrack for which the special permit holder holds a running race permit ; and

(2) provide that the conduct of a steeplechase race meeting must not exceed two days in a calendar year, and must not require approval by the legal voters of the county or the municipality where the race is to be held, but that the governing body of the municipality may object to the issuance of the special permit.

Under the amendments, prior to granting a special permit, the commission is required to provide written notice to the governing body of the municipality where the special steeplechase race meeting is to be held. The governing body may object to the issuance of the special permit by passing a resolution within 30 days of receipt of the notice and by transmitting a copy of the resolution to the commission, in which case the special permit would not be issued. If the governing body does not object by passing a resolution within 30 days of receipt of the notice, the commission may grant the special permit.

ASSEMBLY, No. 1697

STATE OF NEW JERSEY

DATED: JULY 14, 2016

The Senate State Government, Wagering, Tourism and Historic Preservation Committee reports favorably Assembly Bill No. 1697 (1R).

This bill authorizes the New Jersey Racing Commission to grant a special permit, to a permit holder in good standing authorized to conduct running races in this State, for the holding or conducting of a special steeplechase race meeting at a location other than an official racetrack. The permit holder must conduct the special race meeting in conjunction with an organization that has experience conducting steeplechase races pursuant to N.J.S.A.5:5-74, and the race meeting must be recognized by the National Steeplechase and Hunt Association. A special permit granted pursuant to this bill would be subject to the jurisdiction of the commission.

The commission would be allowed to grant only one special permit per calendar year, which would be valid only for the calendar year in which it is issued. Any running race permit holder in good standing may apply for the special permit. The number of racing days authorized pursuant to the special permit would not be permitted to exceed two days in a calendar year. Any racing day that is run pursuant to the special permit would count toward the total number of racing days allotted to the running race permit holder.

A permit holder that is granted a special permit under the bill would be required to maintain separate books and records, and file reports and audits, for the special steeplechase race meeting to the same extent a permit holder is required to do so by law. Sums in the parimutuel pools that result from wagering on races at the special steeplechase race meeting would be distributed as if the special steeplechase race meeting is held at the location for which the special permit holder holds a running race permit. However, the special permit holder would be able to enter into a contractual agreement with the organization with which the permit holder is conducting the special race meeting providing for the distribution of

money that would otherwise statutorily be distributed to the permit holder.

Under the bill, the simulcasting of a special running race meeting authorized by the bill would be conducted as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, but the special permit holder may also transmit the simulcast signal to the racetrack for which the special permit holder holds a running race permit. The simulcasting within this State of a special running race meeting authorized by this section would not require the consent of any horsemen's organization and would be made available at the industry standard rate. Upon application to and approval by the commission, the holder of a special permit granted pursuant to the bill may transmit simulcast horse races of the special running race meeting to any facility outside of New Jersey with which the special permit holder has entered into an agreement.

In addition, the bill provides that the conduct of a steeplechase race meeting, which must not exceed two days in a calendar year, would not require approval by the legal voters of the county or the municipality where the race is to be held, but the governing body of the municipality may object to the issuance of the special permit. Prior to granting a special permit, the commission would be required to provide written notice to the governing body of the municipality where the special steeplechase race meeting is to be held. The governing body may object to the issuance of the special permit by passing a resolution within 30 days of receipt of the notice and by transmitting a copy of the resolution to the commission, in which case the special permit must not be issued. If the governing body does not object by passing a resolution within 30 days of receipt of the notice, the commission may grant the special permit.

The location of the special steeplechase race meeting is not a horse racetrack and it does not afford the owners of the location any right or privilege of the holder of a permit to conduct a horse race meeting, except as otherwise specifically provided in the bill.

As reported by the committee, Assembly Bill No.1697 (1R) is identical to Senate Bill No. 2394, which was also reported by the committee on this date.

STATEMENT TO
SENATE, No. 2394

with committee amendments

STATE OF NEW JERSEY

DATED: JULY 14, 2016

The Senate State Government, Wagering, Tourism and Historic Preservation Committee reports favorably and with committee amendments Senate Bill No. 2394.

This bill authorizes the New Jersey Racing Commission to grant a special permit, to a permit holder in good standing authorized to conduct running races in this State, for the holding or conducting of a special steeplechase race meeting at a location other than an official racetrack. The permit holder must conduct the special race meeting in conjunction with an organization that has experience conducting steeplechase races pursuant to N.J.S.A.5:5-74, and the race meeting must be recognized by the National Steeplechase and Hunt Association. A special permit granted pursuant to this bill would be subject to the jurisdiction of the commission.

The commission would be allowed to grant only one special permit per calendar year, which would be valid only for the calendar year in which it is issued. Any running race permit holder in good standing may apply for the special permit. The number of racing days authorized pursuant to the special permit would not be permitted to exceed two days in a calendar year. Any racing day that is run pursuant to the special permit would count toward the total number of racing days allotted to the running race permit holder.

A permit holder that is granted a special permit under the bill would be required to maintain separate books and records, and file reports and audits, for the special steeplechase race meeting to the same extent a permit holder is required to do so by law. Sums in the parimutuel pools that result from wagering on races at the special steeplechase race meeting would be distributed as if the special steeplechase race meeting is held at the location for which the special permit holder holds a running race permit. However, the special permit holder would be able to enter into a contractual agreement with the organization with which the permit holder is conducting the special race meeting providing for the distribution of

money that would otherwise statutorily be distributed to the permit holder.

Under the bill, as amended, the simulcasting of a special running race meeting authorized by the bill would be conducted as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, but the special permit holder may also transmit the simulcast signal to the racetrack for which the special permit holder holds a running race permit. The simulcasting within this State of a special running race meeting authorized by this section would not require the consent of any horsemen's organization and would be made available at the industry standard rate. Upon application to and approval by the commission, the holder of a special permit granted pursuant to the bill may transmit simulcast horse races of the special running race meeting to any facility outside of New Jersey with which the special permit holder has entered into an agreement.

In addition, the bill, as amended, provides that the conduct of a steeplechase race meeting, which must not exceed two days in a calendar year, would not require approval by the legal voters of the county or the municipality where the race is to be held, but the governing body of the municipality may object to the issuance of the special permit. Prior to granting a special permit, the commission would be required to provide written notice to the governing body of the municipality where the special steeplechase race meeting is to be held. The governing body may object to the issuance of the special permit by passing a resolution within 30 days of receipt of the notice and by transmitting a copy of the resolution to the commission, in which case the special permit must not be issued. If the governing body does not object by passing a resolution within 30 days of receipt of the notice, the commission may grant the special permit.

The location of the special steeplechase race meeting is not a horse racetrack and it does not afford the owners of the location any right or privilege of the holder of a permit to conduct a horse race meeting, except as otherwise specifically provided in the bill.

As reported by the committee, Senate Bill No.2394 is identical to Assembly Bill No. 1697 (1R), which was also reported by the committee on this date.
